

AKHILESH YADAV

Fullstack Software Engineer

+919033359120 • akhilesh@ayzom.com • <https://linkedin.com/in/akhileshyolo> • Bengaluru, INDIA

Summary

With **8+ years of experience in building Fullstack Web-Apps**, I have successfully managed **complex enterprise products** and delivered most useful integrations/features for major clients. My expertise includes web development using **modern tech, system design, cloud architecture and security assessments**. As a Tech Blogger and AWS Community Builder, I am also passionate about sharing knowledge and continuously advancing my skills. Additionally, I hold certifications as an **AWS Solutions Architect** and in HashiCorp Terraform.
